

LazBatchExporter::next
_batch

```
graph LR; A[LazBatchExporter::next_batch] --> B[LazBatchExporter::save_file]
```

A diagram showing a call from the function LazBatchExporter::next_batch to the function LazBatchExporter::save_file. The first function is in a grey box, and the second is in a white box. A blue arrow points from the first box to the second.

LazBatchExporter::save_file
